PSYCHOLOGICAL
ASSOCIATION

ASWB approved continuing education

IPCE CREDIT™

In support of improving patient care, VCU Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

1.25 CE credits will be awarded for psychologists attending the entire program. Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

As a Jointly Accredited Organization, VCU Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. VCU Health maintains responsibility for this course.

Social workers completing this course receive 1.25 continuing education credits. This activity was planned by and for the healthcare team, and learners will receive 1.25 Interprofessional Continuing Education (IPCE) credit for learning and change.
