Thank you for your hard work & dedication to the Department of Psychiatry.

WAY TO GO!

The Virginia Academy of Science, Engineering, and Medicine (VASEM) is proud to announce the induction of its newest member for 2024.

we've done it - again!

[CHoR has been ranked among the nation's top children's hospitals for the last 10 years.](#)

While rankings can shift year to year due to survey methodology, volumes and other factors – our team remains unwavering in its dedication to caring for kids.

Thank you for all that you do every day to nurture the champion in every child!

VCU SOM RESEARCH OPPORTUNITIES

VCU Quest Grant FY 2025 Request for Applications – Due December 13

The goal of the VCU Quest Grant is to afford all faculty an internal funding opportunity to support new, emerging, or continuing research. Research proposals that advance any discipline and area of research focus are appropriate for consideration. Requests for grant support may be based on a broad array of needs, from restarting an inactive research program to pilot studies that would produce preliminary results on which external grant applications could be based. Proposed work that helps advance transdisciplinary research, multidisciplinary research, and cross-campus collaboration, as well as research that has the potential for translation to practice or market, is especially encouraged.

Proposal Deadline December 13, 2024

Award Start Date and Project Period July 1, 2025 (18 months)

Award Ceiling Up to \$50,000, inclusive of 25% unit cost share (required)
